Investment strategy

A conservatively managed portfolio of investment-grade debt instruments with limited exposure to equity financial instruments (up to 20% of assets). The Fund's investment strategy provides for the realization of current income primarily from debt securities and other fixed income debt instruments and to a lesser extent capital gains and dividend income from equity financial instruments. To achieve the investment objectives, a strategy of active management of its portfolio of financial instruments and cash will be applied. Detailed information on the instruments that may be included in the Fund's portfolio and its investment strategy can be found in the Fund's Rules.

Recommended investment horizon

medium term

Profile

DSK Conservative fund has been designed for investors, who:

- look for an opportunity to manage their free funds in the medium term;
- seek income comparable with the income levels of alternative forms of investment while taking low to moderate risk;
- wish to have safe and quick liquidity without distorting the result achieved.
