The calculated return is based on NAVU and does not include any issuing and redemption costs (distribution fees) as specified in the Rules and Prospectus of the Mutual Fund. Standard deviation reflects the change in return for the last 52 weeks. All values in the Bulletin are publicly declared for the last business day of the month.

Investors should keep in mind that the unit value of the Mutual Fund and the generated income can decrease. Profit is not guaranteed, and they bear the risk of not retaining the initial value of their capital. Investments in units of the Mutual Fund are not insured neither by the Fund nor in any other way. Previous performance of the Fund has no relationship with nor is an indicator of future results. For reference with The Prospect and The Rules of the Funds organized and managed by DSK Asset Management as well as additional information, please visit the office of the Asset Management Company on the following address: Sofia 1000, 36 Alabin Str., fl. 3 or the web-site - www.dskam.bg.
