*Expenses related to the management of the Fund's assets, calculated as a percentage of the average annual net asset value for the last financial year, incl. success fee, calculated as 20% of the realized return, exceeding the profitability of the determined reference index. They are reflected in the Net asset value per unit, resp. are reflected in the return for the respective period. The success fee is due to the Management Company even in case of a negative yield of the Fund, if this negative yield is higher than the return of the Reference Index. Detailed information on the success fee is available in the Prospectus.

Summary risk indicator

According to regulatory requirements (PRIIPs, Regulation (EU) No. 1286/2014) a new indicator is used when determining and presenting risk indicators of the funds managed by DSK Asset Management - "Summary risk indicator" (SRI - summary risk indicator, on a scale from 1-low to 7-high). It is determined on the basis of historical data from the fund's activity, and in the absence of sufficient history - on the basis of a suitable reference indicator or substitute, considering the market risk according to the fund's investment horizon, taking into account the credit risk, i.e. the credit quality of the instruments in which the fund invests. Additional information in the fund's Prospectus.
