*Expenses related to the management of the Fund's assets, calculated as a percentage of the average annual net asset value for the last financial year, incl. success fee, calculated as 20% of the realized return, exceeding the profitability of the determined reference index. They are reflected in the Net asset value per unit, resp. are reflected in the return for the respective period. The success fee is due to the Management Company even in case of a negative yield of the Fund, if this negative yield is higher than the return of the Reference Index. Detailed information on the success fee is available in the Prospectus.

Summary risk indicator

According to regulatory requirements (PRIIPs, Regulation (EU) No. 1286/2014) a new indicator is used when determining and presenting risk indicators of the funds managed by DSK Asset Management - "Summary risk indicator" (SRI - summary risk indicator, on a scale from 1-low to 7-high). It is determined on the basis of historical data from the fund's activity, and in the absence of sufficient history - on the basis of a suitable reference indicator or substitute, considering the market risk according to the fund's investment horizon, taking into account the credit risk, i.e. the credit quality of the instruments in which the fund invests. Additional information in the fund's Prospectus.

Investment strategy

DSK Dynamics can invest in all asset classes traded on the financial and capital markets in the country and abroad and can hold "long positions" through direct investments and / or derivative financial instruments, as well as "short positions" through derivatives. The management company will follow an absolute return strategy in portfolio management, aiming to achieve a result exceeding the return of the reference index (12M EURIBOR + 1%), regardless of the movement of the financial markets while taking moderate to high risk. The Fund is actively managed and the Reference Index is used solely as an indicator to assess performance and to calculate the success fee. Detailed information on the financial instruments that can be included in the Fund's portfolio can be found in the Rules and the Prospectus.
