

Monthly bulletin 2/2019

Product Profile

DSK Growth has been designed for natural persons, legal entities and institutional investors who:

- are willing to accept higher risk;
- are looking for an investment with the highest return possible;
- are willing to have secure and immediate liquidity without
- jeopardizing the achieved investment return;
- are willing to invest funds for the mid- and long-term period;
- are willing to diversify the risk of their portfolio;
- are willing to have their capital managed by professionals on the financial markets.

Immediate Liquidity

At a request for redemption, the customer receives the amount corresponding to the declared in the order amount after its registration with Central Depository, which is usually done by the end of the business day following the day of accepting the order.

- Orders can be submitted every working day until 5 p.m.;
- The investor can submit a redemption order for his/her units in every

the point of purchase as long as it offers the Fund;

• Order type-The investor can submit a purchase or redemption order for "Value" (i.e. a specific amount) as well as for "Number of Units"

Distribution 193 DSK Bank offices

0,89413 BGN

** Distributors's fee (DSK Bank) under its Tariff

*** Upon purchase of units with a multiple purchase order under an investment plan the fee is 50% of the current amount. The calculated return is based on NAVU and does not include any issuing and redemption costs (distribution fees) as specified in the Rules and Prospectus of the Mutual Fund. Standard deviation reflects the change in return for the last 52 weeks. All values in the Bulletin are publicly declared for the last business day of the month.
